TEACHERS COLLEGE

FOREWORD

ONCE long ago a sweet-voiced singer uttered these words: "I will lift mine eyes unto the hi'ls from which cometh my help." Down through the years men have voiced that same sentiment; we lift our vision to the mountains of the spirit, of the intellect, and of nature. At Cullowhee we have had all three. Nestled as the college is in the foothills of the great smokies it has afforded untold possibilities of communion with the great spirit of the outdoors. Our associations with the faculty and students have lifted us to heights of Parnassus and Pisgah.

It is our hope that this, our fourth annual yearbook, will serve as a fragrant reminder of our years spent together in the mountains.

DEDICATION

WE, THE Senior Class of 1936, hereby dedicate this volume of the CATAMOUNT to those who have made our very lives possible, who have inspired and encouraged us to higher living and nobler thinking, whose hands have sustained and soothed us when life was young and whose benediction now rests upon us as college seniors. As a token of our love we dedicated this volume to—

OUR PARENTS

MADISON MEMORIAL

Below is a sketch of the Madison Memorial being erected by the Alumni Association and friends of Western Carolina Teachers College in honor of Robert Lee Madison, whose early vision resulted in the founding of this institution August 12, 1889, and whose unselfish and unbounded sacrifices have made possible its growth and development.

Mr. Madison is still connected with the college, being an active worker in the English Department.
